

Keeping the 'All' in Burstall...

July 2026

Greetings,

I hope this message finds you well and everyone is enjoying time with family and friends this summer.

Council has received a positive response to this year's untidy yard tour. Thank you to all residents for your efforts in keeping Burstall looking beautiful. One of the comments I hear most from new residents is how well-kept our town is and how much pride people take in maintaining their properties. If you see a resident needing a hand, please consider helping out.

It is encouraging to see several homes selling in the last couple of months! This is a positive sign of continued interest in our community, and we look forward to seeing our community grow and thrive.

Our Canada Day celebration was a great success once again. Thank you to all volunteers and sponsors who made the day possible. The band The Kangaroo Rats and the fireworks display were wonderful additions to the day as usual. It was great to see the community centre full of people, engaging and enjoying each other's company.

The Town of Burstall Dog Park at the ball diamonds is nearly ready to open. Signage and a dog waste dispenser will be installed soon, with park rules posted for everyone's benefit. Look for updates on the Town of Burstall Facebook page and website.

Infrastructure improvements continue throughout the community. Four curb stops were replaced, sidewalk trip hazards addressed, and crack sealing and fire hydrant repairs are planned for August.

I hope everyone enjoys the rest of the summer. Take care of one another and thank you for helping make Burstall a wonderful place to call home.

Sincerely,

Mayor Bodnarchuk
