PET LICENCE REPORT

- Pet licences are an annual requirement for all dogs and cats in Burstall. Reminders are sent out in January of every calendar year. Bylaw #2017-157.
- Licences are \$30 per pet if unneutered; \$15 per pet if neutered.
- Based on an estimate, licences for neutered dogs alone should result in revenue of approximately \$900. However, historically, this goal has not been achieved.
- In 2026, to date, we have a profit of \$360. This is a little better than average as compared to the past several years. 2019 - \$360; 2020 - \$255; 2021 - \$285; 2022 - \$495; 2023 – \$240; 2024 - \$360.

NEW BUSINESS & BUSINESS EXPANSION

- A warm welcome to Doug Parker of Doug's Convenience just west of Burstall. Doug has a little bit of everything you might need for your day-to-day needs.
- Shevy's Pizza & Treats is looking great with their gazebo expansion which enables more seating. Shevy's has always been community driven.
