Town of BURSTALL
a better way of life

NEXT COUNCIL MEETING

- Tuesday, November 24, 2026 @ 6:30pm
- Closed Budget Meeting Tuesday, December 1 @ 5:30pm

SECONDARY CONTAINMENT SEA CAN

- Waste oil and antifreeze will no longer be accepted at the Town shop. This service has been relocated to a secondary containment sea can at the landfill alongside the electronics sea can.
- Accepted items: clean 5 gallon pails (no lids), 1 litre and 4 litre empty jugs, used filters.
- This waste oil and antifreeze service will commence during landfill hours on Saturday, November 7.

CURBSIDE YARD DEBRIS BAG SERVICE COMPLETED

- Reminder: curbside yard debris pick up is now complete for 2026 season.
- Residents can still haul yard debris bags to landfill during landfill hours.
- Approximately 1000 yard debris bags were hauled from May to October by our Town Foreman. Thank you Owen!

DID YOU KNOW?

- Please note that “flushable” wipes remain a significant Issue in certain sewer lines. These wipes, although they advertise as biodegradable, are collecting at the manholes and are backing up water levels. Please dispose in the garbage.
- Please refrain from leaving paint cans at the Town Shop for disposal. If emptied and dry without lids, paint cans can be disposed of at the landfill during landfill hours or in your grey bins.
- Lagoon dumping brings Town of Burstall significant revenue. Based on previous years it was estimated to generate approximately $2,400, however revenue to date it is $12,930.
- Town of Burstall trailer park had a revenue of $38,000 in 2026, compared to a budgeted $20,000.
